Current positions:

Region Antwerp
Region coast of Belgium
Region Ghent

Your final workplace depends on your profile.

Thanks to years of experience in the formation of Dutch we have developed a method to achieve an acceptable level of Dutch to be able to start working after 10 weeks of intensive language course.

Testimonials from candidates who have already taken the language course are available.

Learning Dutch is useful, because this language is in the eighth place of native speakers in Europe.
In addition, Dutch is spoken in 6 countries in the world.
